MR. DARWIN CYRILL TURINGAN
Research Validator

Dear Mr. Turingan:

Dangal Greetings!

The undersigned are fourth-year students of the University of Cabuyao, taking up a Bachelor of Science in Information Technology. They are currently working on their capstone project entitled **"COMPREHENSIVE INTERNSHIP MONITORING SYSTEM WITH GEOTAGGING ATTENDANCE LOCATOR FOR UNIVERSITY OF CABUYAO."** It aims to develop a web-based internship attendance monitoring system by integrating a geotagging locator and a fingerprint technology that tracks interns' attendance.

In line with this, they would like to humbly request your assistance as a validator for their project. The primary objective of this evaluation is to determine whether the questionnaires meet the necessary criteria for effectively assessing the proposed system. Your feedback will help them identify any necessary revisions before we proceed with their use in our research.

The importance of receiving feedback from experienced individuals like you. Your insights will be essential in refining our questionnaires to ensure they effectively capture the data required for our study. Included with this letter is a copy of the research instrument, specifically the questionnaires. We kindly request you to review them and share your feedback and comments. Your input will be valuable as we work towards finalizing our research tools.

We greatly appreciate your expertise and support in this endeavor, and we are truly grateful for your willingness to assist us. Thank you for your time, consideration, and dedication to our research project. We look forward to receiving your evaluation, as it will significantly contribute to the success of our research.

Sincerely yours,
